Important info and reminders from Rose Bay Secondary College

Zumba Fundraising night
All years
All welcome to our Zumba fundraising night on Tuesday 28 October, 7-8pm to raise money for the school musical. Cost is $10 on entry (more ...)

Canteen
All years
Flexischools is the fast and secure way to order and pay for canteen. Parents are required to go to flexischools.com.au to register. All you need to do is order online and take advantage of this convenient cashless service. You will know what your child is eating at school as well.

The canteen is currently operating without a dishwasher. If you have a second hand dishwasher and it is still in good condition, please contact the school. Thank you
Halloween
All years
The SRC have organised a fun day to celebrate Halloween. Dress up or in mufti and bring money for cakes and BBQ. There is a Halloween disco and prizes for best costumes (more info and poster...)

HSC 2015
Year 11
All classes have started the HSC courses and term 4 promises to be a busy term for all students. Most classes have assessments at the end of this term and parents are advised that we expect all children to be at school till the end of this term to avoid missing out on these assessments. Students have been issued with information regarding the student online account available on the BOSTES (Board of Studies Teaching and Education Standards) website. Students are encouraged to activate their account now if they have not done so. These accounts allow students to obtain important messages from BOSTES. If students are having trouble obtaining or accessing their accounts, they are to see Ms Andre immediately.

Elective Subject Forms
Year 9
Thank you to all parents who have encouraged their child to return the elective subjects forms. Students will be informed shortly about the elective subjects for next year.

ESSAonline
Year 8
The Essential Secondary Science Assessment (ESSA) test for Year 8 students will be held between Monday 10th November and Friday 14th November. It is an interactive multimedia test conducted entirely online. Students will need headphones or earbuds to complete the test (more info...)

End of year hampers
all years
We are seeking contributions from our parent community for items to be included in the end of year hampers we give out to neighbours. This is to wish them happy holidays and recognise the inconvenience residents may experience from time to time, of living next door to a large high school. The hampers have been well received in past years. They go a long way to recognise the inconveniences of living near a large school like ours such as parking and many noisy
events, particularly at this time of year. For the hampers we request donations of items that are non-perishable like jams, cans, biscuits, or chocolate. All donations are gratefully accepted at Ms Andre's office for collation into hampers for our neighbours.

Click the image on the left to read 'George goes to the zoo' the 4th of our featured picture books from our talented year 7 students.
