Important info and reminders from Rose Bay Secondary College

Locker allocation

all years

Lockers will be issued over the next week on different days for different years. Priority is given to Years 11 and 12 and any other students with a documented medical condition.

- Y11 and Y12 available now.
- Y8, 9 and 10 will be available from Tuesday 3rd February.
- Y7 will be available from Thursday 5th February.

Application forms are available in the Finance Office and here, please sign and return to the Finance Office with your payment. Students must visit the Finance Office before school, recess or lunch time, NOT during class time. Large lockers may be shared between two or three students if desired. Large lockers are $100.00 for the year and small lockers are $40.00 for the year.

Uniform change - footwear
A reminder, from the start of 2015 all students studying an Industrial Arts – wood, metal, electronics, graphics, engineering, construction, Food Technology or Hospitality elective course must wear enclosed black leather shoes during practical lessons. On other days and for students who do not study these elective subjects the current requirement of totally black shoes with black laces remains. All year 7 & 8 students undertake the mandatory Technology subject so these WHS requirements apply. The uniform policy is available [here](#).

### Looking after your personal items and money

The school advises that personal items and other possessions such as money are to be kept safely by all students throughout the day. The school is not able to take any responsibility for these items if they are damaged, misplaced or lost. If students are to bring money to school to pay for excursions, etc, they are to bring them to the finance office at the beginning of the school day. All computer devices for the BYOD program must be in protective covering, and be insured if possible.

### Parent pick up and drop off

If you are driving your children to and from school please avoid parking across the school driveway and in the bus zone on Hardy Street. It is best to drop off and pick up your children in Nancy Street and Chaleyer Street, however, Nancy Street has limited parking and turning space so please pick up from the bottom of the street away from the school gates. If picking up on Hardy Street please wait away from the main entrance to the school. Thank you for your assistance in this matter. Take a look at Waverley Council Safe Travel to School flyer [here](#).

### Late to school

Students are expected to be in their roll call rooms at 9am every morning. If students arrive late to school they need to sign in late at the ‘Lates Counter – B516’ in B Block level 5.

### Music Ensemble Program information night

The **Music Ensemble Program info night** is on **Monday Feb 9 6-7pm** in the school hall. This is a must-go-to event for any student who wants to get involved in the busy and fulfilling musical life of the college (as a member of an instrumental ensemble, vocal group and/or rockband) and for any student who wants to learn an instrument so they can join the MEP at some later stage. Everyone is welcome – students, siblings and parents/carers – to come along, meet the MEP director and the parent volunteers who manage the program, have all your questions answered and enjoy a free sausage sizzle as well! If you can’t make it but want to know more, get in touch: email MEP
director Murray Jackson or convenor Clive Hopkins. And to see what the MEP gets up to, take a look at the website.
