Welcome back, major fundraiser, uniform shop and more info from school

Important info and reminders from Rose Bay Secondary College

NSW Band Festival update - your help is needed!

All years
A terrific response to the fundraising email means the roster and donations lists are filling up, a huge thank you to the many that have supported us so far! Can we do even better? If you're never been to the band festival take a look at this gallery to get an idea of the sheer numbers of people willing to give us money. Give us two hours of your time & you get to; meet other parents, work alongside school staff and do something great for our school. Do you have two hours free on any of the next four sundays? check the roster and email Kelly. We also need more lollies and drinks to sell. Fresh baking is the best donation but lollies and drinks are big sellers, please help reduce our costs by sending these into to school or delivering to the venue.

Book pack orders
Year 11
Year 11 students can purchase the novels they will be studying for HSC English in 2016 from Monday 27th July. Payments may be made directly to the Finance Office or on the school's website through the "make a payment" link, students must return the order form (back page) to their English teacher with their receipt.

**HSC Trial Exams**

**Year 12**

Our Year 12 students begin their HSC Trial Exams on Monday for the next two weeks. We advise all students to arrive to all exams on time. As the morning papers start at 8:30 am we advise our students to give themselves ample time to arrive to school in the morning. Unfortunately, we cannot give students extra time to complete their exams if they arrive late to the exams. Students are to be familiar with the exam schedule and the exam rules including specific rules for each subject which can be found at the back of the exam schedule. Good luck, Year 12!

**Clickview online**

**all years**

A list of all July 2015 video recordings added to the Clickview video collection can be seen on @rbsclibrary Clickview page. Login with the student login and password for your year provided by the Library staff.

**Elective and subject selection nights**

**Years 8&10 12**

It was fantastic to see so many parents and students at our electives and subject selection information night night. Thank you for taking time out to attend the information evening. Students now need to make their choices on the Edval website, follow the links for specific instructions for year 8 and year 10.

**New supporter! Think global, act local.**

**All years**

We're delighted to share a new local business and parent, Fresh Local Organics who have pledged a percentage of their sales to us - thank you Ric! You will find Ric on Saturdays at Randwick Farmers Market or you can order a box for home delivery through their facebook page. Details of all our supporters are on our website, so if you need a builder, tiler, butcher, personal trainer, fresh food or catering please check our supporters page first and support the local businesses that support us.

**Parent Teacher Nights (repeat)**

**Years 9, 11**
Parent Teacher Night (PTN) provides an opportunity for parents and carers to meet with their child’s teachers at the College. PTN times are booked using the SENTRAL parent portal. Parents will receive a letter instructing them on how to access SENTRAL and make their interview bookings. If you are already using the portal regularly, simply log in as usual and select the parent interviews icon.

Year 9 and 11 PTN is on Tuesday August 4 from 3:30pm

City2Surf fundraiser (repeat)
MEP families
All MEP students and ideally a good number of MEP parents/carers are expected to help out as part of our volunteer effort at the City2Surf on August 9 from approximately 7am through 10am. Details will be sent home on a note and also emailed so please keep an eye out for these. Each volunteer has to sign up via an induction quiz by July 17; the information you need for the quiz and a link to the quiz itself are at the MEP downloads page.

The final internal marking for HSC Visual arts students occurred early this term. We were lucky to get some amateur photos of their work you can preview here.
