In the last week of this term the students of Year 12 were farewelled at a day time final role call and at an evening graduation ceremony. Representatives from each year, the year advisers Ms Strong and Mr Pickering, deputy principal Ms Lofts and the principal, Mr Linton, gave words of advice, mentioned humorous incidents and wished them well.

Sara Komlos presented gifts and spoke in reply on behalf of the year 12 students.

The students will start their HSC examinations on October 20. They will receive their results in mid December.

UNSW Junior Debating Schools Day

Rose Bay fielded 3 teams of 4 students, one from Year 7 and two from Year 8. It was held in the UNSW Law building.

The first round of the day was the prepared debate. The topic was
That the US and its allies should withdraw aid from Afghanistan until the government takes steps to uphold women’s rights.
The students did not know if they were affirmative or negative until about 10 minutes before the debate.

Teams had 10 minutes for clarification and final preparation before the debate commenced at 9.30 am. Rounds 2 and 3 had half an hour of preparation time between the topic being announced and the debate starting. Techniques for preparing debates were discussed in the coaching session run after the first round of debating, which made this a really excellent day for students beginning debating.

Congratulations to:
► Simon Rozental,,
Bianca Manuel, Asher Katz,
Michael Brookes & Marcus Birch Year 7 – 2 wins out of 3 debates.
► Gemma Rice, Deborah Abulafia, Alexandria Watson & Samantha Webster – Year 9 – 1 win out of 3 debates.

And thanks for participating in an inspirational day at UNSW: Roger Smitz, Peter Lewis, Clement Luo and Julius Attwood. These students represented the school with intelligence and some new and developing skills.

Mr Dawson and Mr Bollard

The debating day was a great day! Our first topic was that the US and its allies should withdraw aid until Afghanistan upholds women’s rights. We all met at the UNSW at 8:30am and once everybody arrived we all went into the Rex Theatre. They told us that we were negative. That was a good thing since we were planning our points on negative. We had 10 minutes preparation, and were prepared enough by 5 minutes. At the end of the debate we won!

We had recess and we ate some snacks while listening to a coaching debater, telling us some strategies of winning.

Our next topic was that Australia should pay other countries not to cut down their trees in their rainforests. We were negative. For us that was really hard, since we didn’t know much about it. We had 30 minutes preparation. At the end of the debate unfortunately we lost.

Then we had lunch! We had a free sausage and a lime drink. Everyone had fun at the UNSW park.
The last topic was that children under the age of 18 should not own a mobile phone. Like always we were negative, which meant we had to explain that kids under the age of 18 should own a mobile phone. We had 30 minutes preparation and we had a lot of rebutting, since our opponents’ ideas whee weak. At the end we won!

It was the end of the day and they were announcing the winners. Unfortunately no one from our school won anything.

The day was over, everyone left and after the day ended everyone learnt some new things to consider. In conclusion the day was a fun one!

Simon Rozental 7B
Thanks from Trainee Teachers

Dear Staff and Students of Rose Bay Secondary College,

We, the Diploma of Education students from the University of New South Wales, would just like to sincerely thank you for hosting and mentoring us in your school. We appreciate all the help and support both our supervising teachers and other staff members have given us. We have thoroughly enjoyed teaching all the students and valued our time in the classroom.

Rose Bay Secondary College has provided us with priceless experience and professional development that will not only compliment our careers, but also shape them. We have all had amazing experiences in our classes and they will help to form the teachers we become in the future.

Thank you so much for allowing us to be a part of this wonderful school!

Kind Regards,

Sally Cameron (Addison) – Mr. W. Georgopoulos
Martin Crawley – Mrs. A. Buckley
Zena Youseph – Ms. S. Cleary

Dear Year Nines and Mr. W. Georgopolous,

I would just like to personally thank both Mr. Georgopolous and his Year Nine English and History classes for having me in the classroom. I had a good time teaching and learning with you all. I will always remember my experiences here at Rose Bay Secondary College and sincerely miss seeing everyone. Good luck with your high school careers and I wish you all the best for the future.

It has also been an absolute privilege to work with teachers who taught me when I attended Vaucluse High School, and it has been somewhat of an adjustment to move from a student to a colleague!

Thank you to all the members of the English Department and everyone in the B Block Staffroom! Overall my experiences have been invaluable.

With all my Thanks,

Mrs. S. Addison.
Hi Rose Bay,

From the depths of my heart I’d like to thank you all for an exhilarating experience prac teaching at your school!

Special thanks go to Mrs. Buckley for her support and expert guidance and to the Year 7s, 9s and 10s who engaged and entertained me throughout!

Martin Crawley.

Dear Rose Bay Secondary College,

I would like to thank Ms. Cleary for being a fantastic mentor. I have learnt so much from you, and thank you for being patient with my shortcomings. I would like to also thank all the English and B Block staff for being so welcoming and helpful.

I was lucky to be able to complete my practicum among such friendly people. To my adorable and hilarious 8B class, I will miss you a lot. I truly wish you all the best for the future.

To my witty 7G class, I will miss you also. Best of luck and continue the excellent work!

Finally thank you to everyone at Rose Bay Secondary College for accommodating me. This has been an invaluable experience that I will remember forever.

Miss Youseph.

Drama Excursion to Accidental Death of an Anarchist

Years 9, 10 and 11 Drama Students went down to the Wharf Theatre to see The Sydney Theatre Company’s Accidental Death of an Anarchist.

The play by Dario Fo was fast paced, a little racey and a load of fun. Students learnt about the power of comedy in political theatre and how Commedia Dell’Arte can be used in modern times. It was a great day out.
SSCL Centres and language courses available

The SSCL has 16 centres: 14 based in high schools in Sydney, one in Wollongong at Smiths Hill High School and one in Newcastle at Merewether High School.

Years 7–10 classes run for two hours, Years 11 and 12 classes for three hours, and Year 12 Extension classes for four hours. Unless otherwise advised, classes start at 8.30 am. See letters of confirmation of enrolment for variations.

- Chinese Background Speakers courses are available in all centres as listed above.
- The Chinese Continuers course is available at Smiths Hill HS, Merewether HS & Strathfield GHS Centres only.
Families in the college Music Ensemble Program (MEP) are still recovering from a huge fundraising effort over three weekends at the NSW School Band Festival, where the MEP canteen made a net profit of $14,312. We wish there were photos but no-one had time to take them – we were just so busy selling hot and cold drinks, homemade cakes and slices, and rolls and wraps prepared on site.

Instead we have some awesome figures:

- 46 kg of chicken used in the incredibly popular chicken wraps (we sold approximately 1800 of them)
- 50 kg of lollies made up into hundreds of lolly bags
- 700 rolls
- 20 kg of tomatoes,
- 3000 cups
- 6000 serviettes.

This is only a partial list; most importantly it doesn’t include the hugely generous donations of the MEP families. It was their contributions of things to sell, both store bought and baked at home, that meant the enterprise was so profitable. In particular, many of our happy customers commented on the fabulous array of homemade treats, both sweet and savoury, and on how lucky we were to have so many people prepared to cook for us. A few people asked ‘How come your school gets to have this opportunity’, or words to that effect, then on reflection admitted they’d never be able to muster the necessary support.

Some acknowledgements are definitely in order. So, first of all, thanks to everyone involved – the small army of people who brought along things to sell, helped out at the venue, brought their kids to help out, carried stuff to and from cars, counted and banked money, delivered and collected the coffee percolators, donated lollies, made lolly bags, rolled wraps, cooked and shredded the chicken to go in the wraps, made coffee, lent us equipment, managed the hot chocolate, cooked soup, quiches, muffins, rocky road, pizza, brownies, lemon cordial and everything else, took out rubbish, went shopping, had good ideas, implemented the good ideas, sourced donations, washed up, swept floors and called to see if we needed more help.

Everyone’s contribution was valuable but several families were really notably generous: the Malevs (one or other member of the family seemed to be on duty virtually the entire time) and the Cruickshanks who also just kept on turning up to put in yet more hours. Special thanks too to Corinne Montano and her mum who kept delivering yet more delicious food to us (even when their car broke down) and Kelly Robinson’s mum who not only provided an endless stream of cupcakes but also was a great extra pair of hands at several hard-pressed moments. Lots of students helped out but special mention is due to student Zac Cherry who was there at the venue nearly every moment of the three weekends and could be trusted 100 per cent to do absolutely anything he was asked to and a whole lot more besides. A very grateful thank you also to CAPA head Donna Masterson for giving so much of her precious off-duty time to the project.

And of course thank you to the local businesses that supported us with donations: Bondi Tucker, Coles,
Franklins, Granma Moses, Heart of Europe, Wellington Cakes and Woolworths.

The money raised has been used to buy a marimba (as seen in performance at a recent school assembly) for $7790 and a dedicated percussion box ($1849) so equipment doesn’t get damaged or lost. Remaining funds will be put towards the new MEP rehearsal space soon to be built underneath the hall.

That’s it from the MEP band festival committee (Susan Bogle, Sue Brittain, Lillian Camphausen, Celia Donovan, Wendy Goldman, Nadine Helmi, Kelly Robinson and Sally Zwartz), signing off now till 2010.

OTHER SUCCESSES IN THE MEP

MEP director Luke Gilmour has been selected to participate in Symphony Australia’s Conductor Development Program. Entry to the program is extremely competitive and Luke’s success in being chosen is a testament to his talent and dedication. Luke will work with the Auckland Philharmonic Orchestra later this year and with other orchestras in 2010.

Congratulations are also due to Year 12 student Robin Camphasuen who came 2nd in the Senior High 4-mallet keyboard solo section of the national Australian Percussion Eisteddfod. It’s great to have a musician of Robin’s calibre in the program. It’s hoped that the recently formed percussion ensemble will take part in the Eisteddfod next year.

Online Business Results

We are giving away a FREE WEBSITE, FREE domain name, FREE Website design customized to your business and FREE support. To learn more about this limited time special offer, you can call 02 8005 1671, 24 hours, for a RECORDED MESSAGE on how you can get a free website for your business. This is a genuine offer and interested parties will be seen on a first come first served basis only. This offer is available for a limited time only, no exceptions!

www.onlinebusinessresults.com.au
Organisation for RBSC Trivia Night is well under way. The date of the event is Saturday, 7th November and although this is our major fundraising event, it also promises to be our major fun event!

You can organise your own table of ten people, or if you want to meet new people, just buy your own tickets and we will place you on a table. If you are just booking one or two tickets, please let us know the year your child is in and we can hopefully place you with parents whose children are in the same year.

Tickets cost $20 each if bought before the night, or $25 each if bought on the night at the door. Bring your own food, utensils, plates etc. Beer, wine and soft drinks will be available for purchase on the night, so obviously this is an adults-only event.

You can buy tickets from the School Office NOW. You may pay by cash, cheque or credit card. Please leave an email address with the Office so we can email your tickets to you. Don’t worry if you don’t have an email address as we can give you tickets when you pay.

Our children attend the only public co-educational high school in the Eastern Suburbs. Let’s show the rest of the East that we can support them as well as any other school!

Lots of prizes have already been donated, but we would love to have more, so if you have anything to donate, please email me on-

jhopkins@smallco.com.au

- or drop off whatever you have at the finance office at school and I will pick it up.

We look forward to seeing you on the night.

PS. I’m told there will be a table of staff members, so I think there is a challenge in there somewhere.

Julie Hopkins
School Captains

It is with great pleasure that I announce the election of Vivenne Tye and Jeromaia Detto as college captains for 2010 and Kerby Lofts and Oleeta Fogden as vice captains.

The senior student council representatives will be:
Cassie Watson
Monty Krochamal
Alexander Dawes
Illan Godin
Tash Heywood
Tess Thirup
Izzy Quarry
Jack Preist

These are remarkable young people who have a good vision for the school and their role in helping the management achieve it... for the benefit of students.

V-Fest

On Tuesday 29 September we held our 11th V-Fest student film festival at the Chauvel Cinema in Paddington. The capacity audience was treated to 22 amazing films from our students as well as students from other schools.

Our thanks go to Ms Cave for organising the festival; our many friends of V-Fest for generously donating prizes and to Martha Zwartz for entertaining the audience with her brilliant original songs.

Congratulations to the winners:

1st place Junior Section - “Attack of the Clown 2 by Danielle Kedar starring Tania Vlassova, Liza Jane Wynne and Victoria Mandelik and Nicola Freedman on camera.
Peoples Choice Award - “Pigeon Love” by Brent Scarborough
3rd in Senior Section - “Hobo Rider” by Matthew Komiljenovich.
Best Actor in Junior Section went to Jari Kurkaa in “You’re So Dead” directed and edited by Gabriel Leftwich, written by Jari and starring Jason Sevitt-Vowels, Tom May and Sydney Vasin.

Zac Cherry won the award for the VFest poster competition.

Year12

Year 12 final roll call was held in the college gymnasium on Wednesday 30 September. That night we recognised and celebrated Year 12 with their family, friends, staff and invited guests at the Year 12 graduation. We presented awards to the many high achievers in the group and presented graduation certificates to all. Now for the final HSC preparation.
Year 10 trial School Certificate

These exams were completed on the last two days of term 3. The trial provides the students with the opportunity to practice doing a School Certificate exam and assists the teachers in identifying areas for improvement before the real School Certificate in November.

Rose Bay student wins Minister’s Award

Our congratulations go to our school captain, Corey Smith who this year was awarded a Ministers award for outstanding student achievement. Corey was one of only two students from Sydney Region to receive this prestigious award. Corey this year also performed the MC role at the ‘great debates’ in Parliament House and at the Sydney Region ‘Deadly Kids’ awards. Well done Corey

Soccer

Our 15s soccer team made it into the 4th round of the statewide Bill Turner cup. They put up a good fight against Birrong Boys but were unfortunately defeated. Congratulations to the boys and Mr Aguirre for managing this team.

I would like to wish all staff, students and families a safe and restful vacation. The first day of term 4 will be Monday 19 October.

Events for your diary

At Rose Bay we like to celebrate student success. The next opportunity to celebrate our ‘clever kids’ will be the Music Ensemble Program showcase concert on November 26th and the end-of-year presentation in the gym on December 9th. Please put these dates in your diaries. I look forward to seeing you there.

P&C Trivia Night, Saturday 7 November. Tickets have been selling fast. Please do not leave it too long or you will miss out. Go to the school website for an order form.

J. Linton
Meet A Keeper

“Monkeys, elephants and zebras too are some of the animals we see at the zoo.”
This is a quote by one of Taronga’s oldest zoo keepers.

One day a group of Year 10 students decided to go to the Taronga Zoo for a once-in-a-lifetime opportunity to get up close and personal with some of Australia’s endangered wildlife in a Meet-a-Keeper program. We met up at Circular Quay at 8.30 ready for real wild day. We had the expert supervision of Mr Jamieson, who was strangely very interested in the rock formations around the harbour. After arriving in the zoo we had a fun filled and exciting lecture about animal species and the flora and fauna.

We were then given behind-the-scenes passes to have a chance to interact with some of the animals. Some of the most interesting parts of the day were the information packs, the interactions with the animals and the general experience of being in a zoo for a day.

All in all the day was enjoyable and a huge success.

We would all love to thank Mr. J for his supervision and rock sightings.

Rodney and Ayse
Metro TV

Last Monday I was chosen to go to Metro TV to try out work experience. Under Paddington town hall was a large film/TV studio that I didn’t even know was there. The studio itself was about 10m by ten meters with a green floor and wall all the way around.

My jobs in the studio originally were to act and edit but I ended up filming, editing, coming up with ideas for the show, acting as a judge, writing my part of the script and being a part of the studio live audience for the sound. We ended up deciding to make a comedy show.

When I arrived I was one of the first people there and had lots of time to meet and become friends with a guy named Edan who looked like a bit of a metal head at first but he was actually a heaps funny guy, who was a great actor.

Anyway, the first thing we did was to come up with an idea for a show. At first none of the 20 or so kids there could think of anything so Edan and I got the ball rolling by talking about some ideas we had talked about before.

Soon we had a great show where teams performed skits about movies the judges and “Australia” had chosen and the three judges criticized their performances, acting and story.

We learned how to use a camara, edit, use a sound stick, act better and how to come up with ideas.

Shannon Bishop
COMMERCIAL COOKERY APPRENTICESHIPS

The Australian International Hospitality (AIH) Group is currently recruiting apprentice chefs at a number of their Sydney venues.

The AIH Group are looking for Year 12 school leavers or individuals who have already completed part of an apprenticeship in commercial cookery. Previous study or work experience within the Hospitality Industry would be highly regarded, however, applications are welcomed from individuals who have a genuine interest in commercial cookery and a commitment and willingness to learn.

Those wishing to apply should send their resume and cover letter with any relevant supporting documents (hospitality certificates, references etc) by email to hr@aihgroup.com.au.

For further details on these opportunities contact Brooke Hamilton on Ph: 8023 7631.

COMMERCIAL COOKERY APPRENTICESHIPS

ATEL Group Training has 30 x Commercial Cookery Apprenticeships available in some of Sydney’s most iconic and respected restaurants!

Positions are available now and they seek motivated and enthusiastic people to interview for an immediate start. The ideal candidates are people who have done Commercial Cookery or Hospitality as a VET subject and are seeking a rewarding career in this field.

Interested applicants should send their resume to fiona.birch@atel.com.au highlighting that they are applying for the commercial cookery positions.

These are fantastic career opportunities with some of the best in the business so don’t delay - get your application in today!

Any questions? Contact Matthew Lyons on 0458 090 202 or email: matthew.lyons@atel.com.au
AUTOSTART
PRE-APPRENTICESHIP COURSES

AutoStart is offering Pre-Apprenticeship courses for Year 10 &12 school leavers who are interested in a career in the Automotive Industry.

The FREE course involves 5 weeks of training and work experience in industry.

Participants will gain valuable skills, knowledge and experience and the training modules completed are part of stage one of the apprenticeship. The program is designed to assist candidates to gain an apprenticeship.

AutoStart will be running courses at various TAFE colleges and training facilities across Sydney throughout the year, however a number of courses are due to start from 16th November with a view that participants will secure an apprenticeship to start January 2010.

To see course dates and venues and to apply, go to www.autostart.com.au or email: thunt@autostart.com.au.

NSW Government Cadetships

The NSW Government is offering cadetships in office administration and customer service, assistants in nursing farm assistants and information technology support.

At the end of 12 months, the cadet will be permanently employed in the NSW Public Sector.

The applicants must be under 25, have HSC (or be studying to attain it) and be permanent residents of Australia

For more info contact:
Robin Saunders
Adviser
Performance and Development Public Sector Workforce
Department of Premier and Cabinet
Phone: 9228 3607
Email - CADETS@dpc.nsw.gov.au
CERTIFICATE II IN COMMUNITY PHARMACY
SCHOOL BASED TRAINEESHIP POSITIONS

We have invitations from pharmacies throughout the Sydney Region to provide suitable resumes from applicants wanting to secure a School Based Traineeship in Community Pharmacy.

This training is delivered through Distance Education over Years 11 and 12 resulting in a Nationally Accredited Qualification in the Pharmacy Industry.

Students interested in pursuing careers in Retail, Pharmacy, Nursing, Aged Care, Medicine, Physiotherapy and other Allied Health therapies, Naturopathy, Beauty, and similar areas are encouraged to apply.

Initial enquiries should be made to the Careers' Adviser in your school.

Successful applicants will be offered a short period of work experience, potentially followed by casual employment and if successful indenture into Ct II Community Pharmacy.

Direct enquiries for further information can also be made through Paddy Warfield, The Pharmacy Guild of Australia NSW Branch 1300 307 908.
CHEMISTRY WORKSHOPS
Faculty of Science

The School of Chemistry is offering three great activities that run concurrently:

“NMR Spectroscopy – The Molecular Detectives Ultimate Weapon?”

Students are given the opportunity to be molecular detectives. Their mission is to identify an unknown white powder by nuclear magnetic resonance (NMR) spectroscopy. This is a fantastic, hands-on experience for students keenly interested in science and scientific detective work (CSI).

“Molecular Modelling: Make Your Own Molecules”

Students use molecular modelling kits in this activity that allow them to use their imagination to build molecular structures of things like caffeine, sucrose, ethanol, aspirin, acetic acid, etc.

“Fun and Magic in Chemistry”

This is an activity that everyone loves! Students get to witness demonstrations of fun and exciting experiments like Elephant Toothpaste, Luminescence, and the Iodine Clock Reaction. During the activity, students are encouraged to think about what is involved in the chemistry behind each experiment – an engaging and exciting learning opportunity!

DATE: Tuesday, 1 December
TIME: 9:30am to 12:30pm
WHO: Year 10 Students
VENUE: UNSW Kensington Campus
REGISTRATION: Contact Jonathon Strauss, 9385 0379 or j.strauss@unsw.edu.au
Closes 24 November.
ASTROBIOLOGY WORKSHOP - IS THERE LIFE ON MARS?
Faculty of Science

In this fascinating workshop, students will be split into two groups - rotating between two hands-on sessions. One session will be a presentation on ancient stromatolites (like those found in Western Australia) and the other will be a session on the modern microbes that can create stromatolites. Both sessions will feature the relationship between ancient and modern microbial life in Australia as well as the search for life on Mars. Students will also go home with an immersive, multimedia Virtual Reality Field Trip DVD that was made in collaboration with NASA.

DATE: Tuesday, 17 November
TIME: 9:30am to 12:30pm
WHO: Year 11 Students
VENUE: UNSW Kensington Campus
REGISTRATION: Contact Jonathon Strauss, 9385 8379 or j.strauss@unsw.edu.au
Closes 11 November.

PHYSICS WORKSHOP
Faculty of Science

Three activities will be offered as part of the School of Physics workshop. Students will participate in a “Starlab Planetarium” - an inflatable planetarium that allows students to observe the night sky at any time of the day or night, clear or cloudy. As part of the experience, a young astronomer from UNSW will guide students through a tour of the southern night sky.

Everyone will also have the opportunity to view sunspots and other features on the sun through a filtered telescope during a “Light of the Sun” activity.

Finally, one of the most bizarre manifestations of Einstein’s Theory of General Relativity, black holes will be explored by students. This is a popular lab that will introduce students to some of the more exciting opportunities available to students who may consider studying physics at uni.

DATE: Thursday, 19 November
TIME: 10am to 1pm
WHO: Year 11 or 10 Students
VENUE: UNSW Kensington Campus
REGISTRATION: Contact Jonathon Strauss, 9385 8379 or j.strauss@unsw.edu.au
Closes 11 November.

PRODUCT DESIGN AND PRODUCTION: THE COMPUTER OF THE FUTURE
Faculty of the Built Environment

This is a highly specialised workshop for students interested in learning more about Industrial Design. The workshop exposes students to the exciting opportunities available within the field of Industrial Design. Students will sketch ideas for a new product. The sketch will then be brought to life through paper and cardboard model making. Students will also see how 3D designs can be printed into 3D models with sophisticated software and 3D printers.

Students interested in design will definitely find this workshop engaging and fun.

DATE: Wednesday, 25 November
TIME: 2pm to 5pm
WHO: Year 10, Year 11 or Year 12 Students
VENUE: The Squarehouse, UNSW Kensington Campus
REGISTRATION: Contact Jonathon Strauss, 9385 8379 or j.strauss@unsw.edu.au
Closes 13 November.
tour of the UNSW Kensington Campus every Friday at 3:30pm. These tours will be small groups of no more than 10 individuals and will leave from the Student Recruitment Office. Each tour will take in the entire campus but also allow time for students to explore specific faculties they may be interested in. Participating in a Campus Tour is a great way to get a feel for the University and to check out the many opportunities available.

Each tour will run for approximately 50 minutes. At the end of the tour, students will have the opportunity to ask questions of UNSW Student Recruitment Staff and collect any additional information they may be interested in (Undergraduate Prospectus, Faculty Guides, Scholarship Information, Housing Information, etc.)

These tours will commence from next **Friday, 2 October** and will run **every Friday for the remainder of 2009**. If the scheduled tour does not suit, we will attempt to arrange alternative times.

We ask that individuals interested in participating in a Campus Tour register through the Network Schools Program in order to ensure we have sufficient staff on-hand to accommodate everyone in small groups.

To register for a Campus Tour please contact:

Jonathon Strauss, Network Schools Manager  
(02) 9385 8379

**THEATRE AND PERFORMANCE STUDIES ‘TASTER AND TOOLKIT’ WORKSHOP**

**Faculty of Arts & Social Sciences**

This popular half day workshop provides a unique opportunity for Year 10 and 11 Students to experience studying theatre and performance at university. Students will be led by experienced students from the program and explore the training methods used by practitioners in western theatre. Students will have the opportunity to experience UNSW facilities, talk with current undergraduate students and engage with theory and practice.

Register before the school holidays to avoid disappointment.

**DATE:** Thursday, 29 October  
**TIME:** 9am to 12pm  
**VENUE:** UNSW Kensington Campus  
**REGISTRATION:** Contact Jonathon Strauss, 9385 8379 or j.strauss@unsw.edu.au. **Closes 23 October.**
