Dear Parent/Caregiver

I am pleased to advise you that your child has been selected to represent Rose Bay Secondary College at the regional Tournament of Minds competition. Rose Bay will be competing in the Sydney East division. This is a fantastic opportunity for all of the students involved. The selection process was quite difficult as all students performed to a high standard during the past term. As such we are happy to be sending two representative teams this year.

The Tournament day will be held on Sunday 24th August 2014 at Sydney Girls High School. **All team members** will need to be available this day as once the team members' names are submitted they cannot be changed.

The teams will also continue to meet on Monday from 3.30pm to 4.30pm where they will work on their respective long term problem, and continue to develop drama, presentation and improvisational skills through practice of spontaneous questions. The group will also be required to meet during one lunch time each week to work on their long-term problem and in their own time.

Two incursions will also be held at school leading up to the competition day. These sessions will help students prepare and practice their long-term problem, construct the props and costumes, and ensure they meet all competition requirements. They will also be doing two speciality sessions on the spontaneous problem. These sessions are vital if the students are to be adequately prepared for competition day.

These dates are:
- Tuesday 29th July 2014, Periods 3 and 4
- Thursday 14th August 2014, All day

Rose Bay Secondary College would also appreciate permission to use your child’s name and image in publications for the school community. If you do not wish this to occur please indicate below.

Yours Sincerely

Ms Bianca Gambrill
Tournament of Minds Co-ordinator
