Year 11 Sport 2015

Dear parent/carers,

In 2015, a number of Year 11 students will have face to face lessons during sport as part of their Higher School Certificate pattern of study.

For all other Year 11 students, they are to participate in 80 – 120 minutes per week of Sport. ‘Policy Standards for Curriculum Planning and Programming, Assessing and Reporting to Parents K – 12’. At Rose Bay Secondary College, our Year 11 students participate in Sport for 2 periods every Thursday afternoon for terms 1, 2 and 3.

Many of our students currently participate in quality sport and physical activity programs delivered by organisations beyond the school.

In Year 11, as students begin their Higher School Certificate studies, they must also balance numerous other commitments including Sport, part-time employment, family responsibilities and other interest projects. To support senior student organisation and time management, Year 11 students may apply for Recognised Prior Learning (RPL) for school Sport.

If your child currently meets the Sport requirements as set by the NSW Department of Education and Training he/she can apply for RPL in Sport. This means that if your child currently participates in at least 80 minutes of Sport or physical activity each week, the school will ‘sign off’ the mandatory sport outcomes. This will create extra time each Thursday afternoon for your child to meet commitments such as study, part-time work, etc.

If you would like to apply for RPL for Sport in 2015 please complete the application form below and submit it to Mr Godby, Head Teacher PDHPE by Friday February 13, 2015. Approved applications will result in the Year 11 student being issued a ‘Sport Pass’.

All students must carry their “Sport Pass” which may need to be presented to authorities for proof of being signed out of school on Thursday afternoon.
