11 YEAR 12 FOOD TECHNOLOGY
12 CAREERS NOTICES
18 ADVERTISEMENTS AND COMMUNITY ANNOUNCEMENTS
The end of the year is fast approaching, but the activity around the school is showing no signs of slowing down. All of our Year 7-10 students have been preparing for and sitting their final exams, whilst Year 12 are starting to complete their first HSC Assessment tasks. Following the marking and return of all these tasks the teachers will be able to complete end of year reports for parents.

**Year 7 Surf School**
Our annual Year 7 Surf Lifesaving School will be held in Week 9 from Dec 2 – 6 and will be a great opportunity for all students to learn or improve their swimming and surf skills. In the environment in which we live these skills are vitally important and I would like to thank Mr Godby and the Sports staff for their efforts and organisation. I would also like to acknowledge the fantastic support of the North Bondi Surf Lifesaving Club, without whom, we would not be able to run this program.

**White Ribbon**
Rose Bay Secondary College supports the White Ribbon initiative with our focus on building Respectful Relationships across the school. Together with the SRC we will be holding different events during the week to support this initiative. On Thursday 28 November we will join with our Community of Schools in the Eastern Suburbs (CoSiES) and Woollahra Council for a White Ribbon Breakfast event. Our School Captains and senior leaders will MC and give speeches, whilst our vocal group will perform as entertainment.

This is a timely event as last week I was presented with a Cool to be Kind Award from the World Kindness Australia organisation. This is in recognition of the support the school has given to the program in the past.
**MEP Concert**

Last week I had the pleasure of attending the Music Ensemble Program end of year concert, which was a stunning performance evening. The audience was entertained by the Senior and Junior Concert bands, Senior and Junior Stage bands, the vocal ensemble, the percussion ensemble and a range of rock bands. The standard was very impressive and highlighted how much work and dedication has been expended by the students and their tutors. I would like to acknowledge the incredible work of the musical director Murray Jackson and his team of James Paul, Ali Foster and Ben Bryant. Equally impressive is the support of the parents of the MEP students led by Celia Donovan.

**Student achievements**

A couple of recent student achievements that I would like to share with you:
Oliver Ardill-Young of Year 10 has been invited to attend the callback auditions for the 2013 NSW Public Schools Senior Drama Ensembles. Congratulation and best wishes for the auditions.
Last Saturday evening six of our dance students gave their final ensemble performance of dance-theatre “The Past” to a packed festival audience at the Riverside Theatre as part of the Fast and Fresh Dance Final. Later in the evening, Kai Taberner (Yr 7) and Hannah Danon (Yr 8) took out the 2013 Best Duet Award for their performance in “The Past”. This is an outstanding performance for two very talented performers.

**Presentation Night**

A reminder to all that our annual Presentation Evening will be held on Wed 11 December at 7pm. It will be a wonderful opportunity to recognise some of our talented students in the academic, sporting, musical, and cultural and leadership areas of the school.
Dance students Kai Taberner and Hannah Danon are the 2013 recipients of The Best Duet Award, at the Fast+Fresh Dance Festival, for their performance in Alexander Ku’s six-character, experimental dance-theatre “The Past.”

The cast includes Olivia An, Claudia Wolf, Maia McCalmont-Parkinson and Mahime Watanabe. This no-budget, collaborative, and continuously evolving work was developed over three months, and was inspired by Asghar Farhadi’s complicated Iranian drama “Le Passé.”

Senior dance students Olivia An and Claudia Wolf also received nomination for a Fast+Fresh Dance Festival Award for the past three consecutive years.

In addition, Olivia An has been recruited into the Arts Unit’s Senior Dance Company since early 2013.

Over the years, dance students of Rose Bay Secondary College have been sharing their remarkable talent, skills and creativity with the public in and around Sydney. Dance students have appeared at the NSW State Dance Festival, the Showcase, the School Spectacular, and the Fast+Fresh Dance Festival among many others.

In year 2014, dance students will present a concert of their own exhilarating choreography to the public. This concert promises to be a collection of highly original, mature, thoughtful, and challenging works – worthy of their talent, skills, and discipline.

RBSC Sports Committee Meeting – Tuesday 10th December

Dear Parents,

There will be a final meeting for the RBSC Sports Committee on Tuesday 10th December in the staff common room starting at 7 pm. There will be light refreshments and snacks starting from 6.45 pm.

All parents and staff are invited to come and celebrate what has proven to be a fantastic year of sport for RBSC. The focus of the meeting will be to strategically plan for 2014 in the sports that RBSC are beginning to excel in – specifically basketball and futsal.

If you have any questions pertaining to the Sports Committee please contact Ian Godby on 9301 0300 or ian.godby@det.nsw.edu.au

RBSC Sports Committee 2013 Year in Review

In 2010, a group of interested parents and teachers formed a Sports Committee with the aim of encouraging more participation and competition in all sports and to complement the existing sports programmes.

Some of the highlights of 2013 include:

1. Entering the following RBSC teams in weekend competitions:
   - Under 15 Boys Basketball team came 7th in the State – almost beat Westfields Sports High School at RBSC with the final score being 54 – 51.
   - Three Year 7 boys basketball teams in an external competition that compete on Saturday and have had great success making the finals each season.
   - A Year 8 girls' netball team played in the Randwick Association netball competition on Saturday morning during the netball season.
   - Futsal teams playing in external competitions; two year nine teams and one year 7. The RBSC under 16 and Open boys' futsal teams both made the regional finals in 2013.
Dearest Parents,

There will be a final meeting for the RBSC Sports Committee on Tuesday 10th December in the staff common room starting at 7 pm. There will be light refreshments and snacks starting from 6.45 pm.

All parents and staff are invited to come and celebrate what has proven to be a fantastic year of sport for RBSC. The focus of the meeting will be to strategically plan for 2014 in the sports that RBSC are beginning to excel in – specifically basketball and futsal.

RBSC Sports Committee 2013 Year in Review

In 2010, a group of interested parents and teachers formed a Sports Committee with the aim of encouraging more participation and competition in all sports and to complement the existing sports programmes.

Some of the highlights of 2013 include:

1. Entering the following RBSC teams in weekend competitions:
   • Under 15 Boys Basketball team came 7th in the State – almost beat Westfields Sports High School at RBSC with the final score being 54 – 51.
   • Three Year 7 boys basketball teams in an external competition that compete on Saturday and have had great success making the finals each season.
   • A Year 8 girls' netball team played in the Randwick Association netball competition on Saturday morning during the netball season.
   • Futsal teams playing in external competitions; two year nine teams and one year 7. The RBSC under 16 and Open boys' futsal teams both made the regional finals in 2013.
   • Years 8 and 9 boys basketball - comps at Alexandria and South Sydney – winning the final.
   • Year 9 girls basketball - comp at Alexandria.
   • Reintroduced the RBSC Cheerleading squad and gained third and second placings in State competitions.

2. Having existing RBSC knockout sporting teams trained by expert coaches and current students.

3. Raising $7,000 at the UNSW Band Festival to contribute towards coaching school teams, providing gear etc.

For each of the above teams we provide free coaching, uniforms and subsidised fees if required.

What we need is parents who are able to assist us in looking after a team from an administration point of view – we especially need Year 7 parents.

Regards,

Ian Godby
Head Teacher PDHPE/Sport

RBSC ALLEY-OOPS INTO STATE CHAMPIONSHIPS!

What a year it’s been for basketball at Rose Bay Secondary College. These years under 15’s team were gathered together in August and it became apparent after our 75-12 victory in the first round, that the team had real potential. After backing up the next week to a gruelling 4 game gala day, the boys came through as regional champions, along with Sydney Boys. This was an enormous feat the furthest a team had ever gotten in Basketball. After sailing through there next match, we were to meet our match at our first home game against Westfields Sports High. Unfortunately, they stole the lead with seconds to go, but it was by no means the end of the journey. In recognition of our teams talent, they were selected as the most eligible team to replace one of the top 8 teams.

This is it we were at state! With only two days to prepare, before we knew it we were on a bus at 5:15am heading to Terrigal Basketball Stadium. They boys held their own in every match, but were unfortunate not to come away with a win on the first day. To give an idea of how close we were, in our game against Keira there was only 4 points in it and we went down 62-76 in our game against Hunter. That’s 14 points from the state champions!

After a quick swim at Mac Masters beach and a hearty dinner, the boys returned to Terrigal the next day with fresh legs and their heads back in the game. They ended with a convincing win against Maitland to come through as 7th in the State. It wasn’t only the outstanding athleticism and teamwork, but the sportsmanship which made this a very proud moment for Rose Bay.
ACKNOWLEDGING WHITE RIBBON WEEK

The White Ribbon Organisation is a movement that invites men to swear an oath to never commit, excuse or remain silent about violence against women. Each year on November 26th the International Day for the Elimination of Violence against Women, men and women across Australia are encouraged to wear a white ribbon as a symbol of this oath. Swearing the oath and wearing the ribbon are public displays of a person’s commitment to this campaign.

A timely quote about morality and spirit from the Iconic John F Kennedy states, “A man does what he must – in spite of person consequences, in spite of obstacles and dangers – and this is the basis of all human morality.” The White Ribbon Day provides us with a framework that ensures we treat each other with respect. This notion of respect means treating all members of the College with dignity, resulting in the opportunity for the community to live in harmony.

Firstly we have taken the core of respectful relationships and embedded it throughout the culture of the school. With the overhaul of the welfare system, a respectful relationship has become the focus and standard for our school community. This encompasses students, teachers, and the school environment as a whole. This review will result in new ways of recognising achievement which will highlight this process. We are developing new programs to promote respectful relationships within the school community including a renewed focus on peer support.

Year 7 has also recognised White Ribbon Week by creating a collage all in white, this art work being displayed at the White Ribbon Art display.

Violence against women is a serious problem in Australia, where at least one woman is killed every week by a current or former partner. Furthermore, Australian Bureau of Statistics data indicates that one in three Australian women over the age of 15 reports having experienced physical or sexual violence at some time in their lives.

For each one of you girls sitting here now, look at two other girls, and realise that one of you, could be a victim of sexual or physical abuse. As a woman, more than 15 years old, the white ribbon breaking the silence program is important because I don’t, and I don’t want others around me, to be victims, and I believe that the White ribbon programme is instrumental in focussing our awareness on this epidemic.

We at Rose Bay, embrace the White Ribbon campaign, and strive to end violence towards women, creating a safer school community, and putting respectful relationships at the forefront of Rose bay’s values and beliefs.

Thank-you.
From the Social Science faculty

**THE MODEL OF SYDNEY**

Students from Year 8 experienced a tour of the scale model of Sydney in the Town Hall which showed all buildings of Sydney including ones approved and ones under construction.

It was interesting to see the shape of the buildings. **Did you know that buildings near the Botanical Gardens are shaped to allow sunlight to flow in to the park?** Overall it was a great experience and the film gave a message that “we must preserve ocean resources and stop global warming”.

The model of Sydney’s city is located in Town Hall and started in 1988 and took around 12 years to make. It contains 4,000 individual buildings all handmade out of timber. All the buildings are exactly to scale and are painted red; they are under construction, grey; they have been approved for construction, light yellow; buildings that are already there and brown; heritage listed buildings.

University of Sydney: The Knowledge Hub

Explore the University of Sydney’s vibrant campus, featuring state-of-the-art facilities and cutting-edge research opportunities. Whether you’re a student, faculty member, or visitor, you’ll find a wealth of resources to support your academic and professional pursuits. From modern libraries and laboratories to vibrant community centers, the University of Sydney is a dynamic hub of intellectual and cultural activity.

University of New South Wales: A City of Learning

The University of New South Wales is located in the center of Sydney, offering easy access to the city’s vibrant cultural and social scene. Whether you’re interested in art, music, sports, or fine dining, there’s always something to explore. The University of New South Wales is home to a diverse and welcoming community of students from around the world, making it the perfect place to start your academic journey.

University of Technology Sydney: A Hub for Innovation

The University of Technology Sydney is a leading institution in the fields of engineering, design, and business. With state-of-the-art facilities and a focus on practical, hands-on learning, UTS prepares students for success in a wide range of industries. Whether you’re interested in technology, fashion, or architecture, UTS offers a range of programs to help you achieve your goals.

University of Wollongong: A Gateway to the South Coast

Located on Australia’s south coast, the University of Wollongong offers a unique and engaging academic experience. With its close proximity to the coast and its diverse community, UOW is a great place to study and live. Whether you’re interested in coastal studies, marine biology, or simply enjoying the beautiful beaches and parks, the University of Wollongong is the perfect choice.

University of Western Sydney: A Gateway to the West

The University of Western Sydney is located in the heart of Sydney’s west, offering easy access to a range of cultural and recreational opportunities. Whether you’re interested in arts, music, or sports, there’s always something to do. The University of Western Sydney is a thriving community of students, offering a range of programs to help you achieve your goals.

University of Newcastle: A Gateway to the Hunter

Located in Newcastle, the University of Newcastle offers a range of programs to help you achieve your goals. Whether you’re interested in engineering, business, or the arts, UON provides a supportive and dynamic learning environment. With easy access to the city’s vibrant cultural and recreational opportunities, the University of Newcastle is the perfect choice for students who want to learn and grow in a diverse and engaging community.

NSW Government's NSW Skills and Employment Commission:

The NSW Government’s NSW Skills and Employment Commission is committed to supporting the skills and employment needs of NSW. With a focus on improving the skills of the state’s workforce and connecting jobseekers with employers, the Commission plays a crucial role in ensuring that NSW remains a leader in the global economy.

Sydney Kids: A Gateway for Families

Sydney Kids is a gateway for families, providing a range of resources and support to help parents and children thrive. Whether you’re looking for playgroups, family activities, or support services, Sydney Kids is the perfect place to start.

University of Newcastle: A Gateway to the Hunter

The University of Newcastle offers a range of programs to help you achieve your goals. Whether you’re interested in engineering, business, or the arts, UON provides a supportive and dynamic learning environment. With easy access to the city’s vibrant cultural and recreational opportunities, the University of Newcastle is the perfect choice for students who want to learn and grow in a diverse and engaging community.

Easts Hospitality Traineeship Opportunities

Easts Group | Sydney Roosters is an organisation that values its people, their development and future. We are in the business of creating memorable entertainment experiences for our fans and patrons, therefore focusing on ensuring our staff are passionate about what they do. We also have a strong sense of community through our support of numerous charitable initiatives.

We now have a number of exciting full time opportunities for enthusiastic individuals to kick start their career in hospitality as Club Trainees at one of our venues: Eastern Suburbs Leagues Club in Sydney’s east, Berkeley Sports Club in Sydney’s south and Kingswood Sports Club in Sydney’s west, commencing in 2014.

About the Easts Traineeship
Our Club Traineeship program involves training across numerous departments of the Club including Functions, Events, Gaming, Food and Beverage, Customer Service and even the opportunity to work within Club Administration, Marketing and with the Sydney Roosters Membership Team.

In addition to this, Easts Trainees attend TAFE one day per week to strengthen their skill set and consolidate their knowledge. Trainees have the opportunity to complete the program over a 1-2 year period.

Ideal applicants will be:
- Enthusiastic team players
- Display desire & passion to learn and grow a career in Hospitality
- Encompass a high level of commitment & responsibility
- Must be flexible with their availability

What’s in it for you?
- Obtain a nationally recognised qualification - Certificate III in Hospitality (Operations)
- The opportunity to be appointed to an ongoing position within the Easts Group.

How do I apply?
Submit a current CV together with a cover letter stating:
- What attracts you to this position
- What your short and long term goals are
- What values you can bring to the Easts team

To: recruitment@eastsgroup.com.au or visit our website: www.eastsgroup.com.au

This opportunity is aimed at a graduate level as Trainee wages apply. No prior experience is required.

We look forward to hearing from you! Apply now!

Free Graduated Licensing Scheme Workshops for Learner Driver Parents in Woollahra

Young drivers are three times more likely to be involved in casualty crashes. That’s why the Roads and Maritime Services has introduced a new licensing scheme, with more supervised driving practice for learner drivers.

To help parents in supervising learner drivers, the Roads and Maritime Services has set up a FREE 2 hour workshop for parents that offers practical advice on how to help learner drivers become safer drivers.

A FREE parents’ workshop will be conducted by David Riches and hosted by Woollahra Council on Thursday November 7th at Woollahra Council Chambers (536 New South Head Road, Double Bay) from 6 pm – 8 pm.

Early bookings are essential, by phoning Woollahra Council on 9391 7112 now to reserve your place, or email Susana.Rowbotham@woollahra.nsw.gov.au
