As Term 2 comes to a close I am amazed at the extraordinary range of activities and opportunities that our students have taken advantage of during this term. The reports that come back to me from every excursion or camp that our students participate in are that our students are exceptionally well behaved, polite and fantastic ambassadors for the school and our community. I would expect nothing else as that is my experience of the vast majority of our school.

We must continue to promote this image of our school to the wider community in order to challenge some of the perceptions that currently exist. To this end you would be aware of a renewed focus upon the wearing of our school uniform with pride. We have already seen a big lift in compliance which is very pleasing. I believe there is more we can do with our uniform, but I would like to work with our student leaders and parents to address some of these areas. Last year student surveys identified a number of issues and recommended some strategies and I would like to build on this work. Please be assured that we are not planning wholesale changes and any changes to uniform must be endorsed by the P&C before implementation.

I was delighted last week when one of our senior leaders, Julius Attwood, proposed a visit to Ascham School by a team of our Year 12 students to play a team from Ascham in Basketball. This friendly non-competitive game was simply a chance for students from two different schools to get to know each other and have some fun. The team of Julius, Jack Gencher, Peter Lewis, Elise Bickley, Ruby Humberstone and Viola Ida represented our school. They had a great time and in Jack Gencher’s words – “We had a hoot!” I believe our students are already planning for a reciprocal visit with dodgeball on the plans. I would like to acknowledge the support of Ascham School’s Headmistress Dr Helen Wright for her support of the initiative.

One of our Year 8 student, Hannah Danon, has recently been accepted into the 2013 Senior State Dance Workshops. This is a fantastic achievement for Hannah and her Dance teacher, Mr Ku, has nothing but praise for her “I believe Hannah will do very well in the Senior State Dance as she indeed has the talent, the commitment, and the humility as a serious dance student”. Hannah’s mother also wished to acknowledge Mr Ku’s hard work, for recognising her talent, for nominating her and for fostering her ability and love of dance. Well done to all.

Last week I had the pleasure of watching the Musical Ensembles Program, MEP, concert held in our hall. The performances were sensational, especially considering some of the students were giving their first public performances. It was also amazing to see the progression of talent from the junior stage and concert bands through to the very polished pieces from the senior ensembles. This development is due to the dedication and commitment of the students and the hard work of the tutors and teachers, led by the MEP Director, Murray Jackson.

I hope you have been able to secure a ticket to our Cabaret Night, which is scheduled for the first week next term on Thursday July 18. Led by our music teacher, Mrs Ranger, teams of students have been busily prepared sets, menus and items to entertain us all. With The Beatles as the theme for the evening there will be no excuses for anyone not to sing along.

With the support of local builder, Frazer Earl, from Aussie Men builders we have made some alterations to our foyer to improve the area as a welcoming place for parents, visitors and prospective students and their families. All student enquiries that previously were dealt with at the front office are now handled in the Student Administration and Finance Office. Frazer volunteered his time and labour to help our school and done a fantastic job building the partition walls and installing the double doors. You will find his details at the end of this newsletter and if you are in need of a quote for some work around your home or business then I can recommend Frazer to you.
Rose Bay Secondary College
proudly presents

V-Fest
2013
a student video festival

~ Entries close Tuesday 3rd September 2013
~ Screening at the Chauvel Cinema, Paddington Tuesday 17th September
~ Phone RBSC on 9301-0300 for details
~ Entries also available at: www.rosebay-h.schools.edu.au
Dear Parents, Carers and Supporters,

On the evening of Tuesday 17th September 2013, Rose Bay Secondary College will proudly host their 15th annual inter-school student Video Festival. This will be screened at the Chauvel Cinema in Paddington. V-Fest is a non-profit student video festival, celebrating the phenomenal talent in the medium of video making. It was originally conceived in 1999 as a showcase for senior high school students whose work was only ever viewed by their class and parents. Since then it has taken off with last year’s competition attracting over 65 video entries from a number of public and private high schools across the metropolitan area. We hope that you can be involved in what promises to be our biggest V-Fest ever!

WE NEED YOUR ASSISTANCE!

You can support us by providing a gift certificate or a cash donation, which will be used as prizes for the students. If you have a business, please include a business card and we will acknowledge your support in the programme. Please complete the form below and return to:

Rose Bay Secondary College
34a Hardy Street, Dover Heights 2030

YES I would like to support the V-FEST 2013 Video Festival.

Enclosed is $____________ and a business card for inclusion in the programme

Name: ______________________________________________________________

Address: _____________________________________________________________

Phone: ____________________________

NB: All cheques made payable to Rose Bay Secondary College
For further information please contact Deborah Cave (Video Teacher) on 9301-0300 or 0439 480 699.
Welcome to the latest sport report.

**Cross Country**
Good results in Cross Country. Rose Bay sent a good group of Boys and Girls to the Zone Carnival. We had runners in many events. It was a very nice and sunny day. The course is quite challenging. Sand, grass, hills and very uneven ground. All the students ran very hard. A number of our runners qualified for the regional carnival. Special mention to Ben Porter and Sachin Burns who both came second in their events, a top effort. Thanks to Mr Portada and all the students for a fun day.

**Athletics**
The Athletics carnival was another amazing day. Lots of colour, participation and athletic ability on display. We have many students qualify for zone! The zone carnival has been postponed until July 26, due to the terrible weather leading to ES marks being closed. The carnival will now be held at Hensley Field at Eastgardens. The winning house this year in a very close contest was:

**DUNBAR!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

Other Highlight: Teachers beet year 12 in the TUG OF WAR!
Teacher Tug of war team – beating year 12!!!!!!

Thanks for coming year 12..............
THE HOUSES

Fair(l)ly good run

leap of faith

Leach in focus

Silver Lining

- Identification and psychometric (IQ) testing: why, how and when
- Parenting sensitive gifted children
- Motivating gifted children to develop their abilities
- Gifted children, their friendships and relationships
- Gifted children with learning and other disabilities
- Advocating for your child in the school system

SECONDARY SCHOOL DAY
Sunday 1st September
For parents of high school students and for parents of younger children who want to be prepared for adolescence.

Sessions include:
- Understanding the gifted adolescent
- Maintaining motivation in the secondary years
- Mental health, resilience and emotional well-being
- Developing academic and study skills
- Computers, gaming, social media and the gifted adolescent
- Making a successful transition to university and careers

Cost: $110 (including GST) per day
Venue: Liverpool Rd, Ashfield
For Bookings please visit: http://www.trybooking.com/CYSN
For further information please email michele@clearingskies.com.au or lindywalsh@gmail.com

PRESENTERS
Michele Juratowitch is Director of Clearing Skies and provides a range of services to meet the needs of gifted children, their parents and teachers. Michele has qualifications in counselling, and gifted education and provides counselling for gifted youth and their families. She worked in schools for over twenty years and has instituted a range of programs and provisions for gifted students. Michele was awarded a Churchill Fellowship to study the counselling and intervention needs of gifted children.

Rosalind Walsh is a trained high school teacher who holds a MEd (Gifted Education) from UNSW. She was the manager of the Gifted Education Research, Resource and Information Centre (GERRIC) at the University of New South Wales for 10 years. Rosalind has worked with teachers around Australia at both primary and secondary levels. Rosalind is currently undertaking PhD study at Macquarie University researching successful interventions for gifted children in prior to school settings. She also works part time as the co-ordinator of a gifted program in Sydney public primary school.
INVESTIGATING GLOBAL INEQUALITIES

This term, Year 8 have been investigating the prevalence of global inequalities around the world and what they mean for countries like India, Indonesia, Cambodia and Australia.

Throughout the Term, Year 8 students (and parents) have completed chores at home, competed in a fun run, washed cars and baked cakes to help raise money for our chosen charities. Students have raised an incredible $1700!

Students will decide during week 9 which charities they would like to donate the money to. A big thank you to all the students, parents and teachers who got involved and made this incredible achievement possible.
The City to Surf organisers pay us to sort out and give out the runners’ bags at the end of the race at Bondi Beach. The money raised will be given to charity.

Last year we gave over $1200 to the Dominican Orphanage in Dili, East Timor. This was used to improve the kitchen— at the moment food for 65 children is prepared over open fires.

This year the money will help the orphanage set up a farm where the children will learn to grow their own food.

PIZZA LUNCH & CERTIFICATES FOR ALL WHO HELP

Where to meet: 7.30 am near the children’s playground, just north of the Bondi Surf Club
Lunch provided

Counts towards Community Service for Duke of Edinburgh and for Premier’s Challenge

What Size T-Shirt?

Volunteers will receive a City to Surf volunteers t-shirt: This will allow free travel on public transport on the day of the event.

They will be given out at school before the event.

If you can help give your name & t-shirt size to Mr Manganaro

or

Mr Bollard by email: paul.bollard@det.nsw.edu.au
Tickets on sale at the Rose Bay Secondary finance office. The performance is ‘one night only’ on Thursday 18th July. Tickets are $45 per head or book a table (7 seats) for $40 per head. This includes a delicious three-course menu and a wonderful show. The dress code for the evening is the ‘swinging 60s’ and there will be prizes for the best dressed.
If you have any queries please contact me on louise.hawkins1@det.nsw.edu.au or 93010300, for any menu enquiries please contact Paula Bertoli.

A fixed menu served alternately

   **Entrée**
   Smoked Salmon Pâté
   Babaganoush with Crumbled Fetta
   Served with a platter of mixed breads

   **Main Course**
   Moroccan Spiced Chicken with Mint Tzatziki on Couscous
   Beef Bourguignon Pies with Caramelized Onion Relish and Seasonal Vegetables

   **Dessert Share Platters**
   Coffee Tiramisu
   Chocolate Mousse
   Lemon Raspberry Parfait
   Praline Panacotta
   Florentine Triangles
   Fresh Fruit

**Beverage Service at Tables - No BYO, alcohol free event**
Coke, Diet Coke, Lemonade, Lemon Squash, Mineral Water, Orange Juice

**Special Dietary Requirements**
Please contact School Finance Office on 93010325
Work Experience @ The NSW Police Force

My dream was to become an international detective and I wanted to learn the ways I could become one in this experience. Lucky for me in the first day of the experience we were given the opportunity to talk to a Canadian detective named Canada. He explained the ways he worked and how he was treated in his job. Later for me I realized that there was no such thing as an international detective, due to the different laws in other countries.

Throughout the week we were able to interact with many different jobs for the police. This included the marine headquarters where all patrols of waters were managed at. The police pursuit squad, this is where police use very powerful cars to chase robberies, or speeding cars. Funny enough these police can encounter cars going under the speed limit creating awkwardness and confusion.

The police bomb and rescue squad, these police focus on a wider range of problems. Robots and different expensive equipment are used in this facility. Whenever there is a bomb which needs to be disabled, a robot will be used to disarm the bomb. The large trucks here are used to counter any situation, such as car crashes, people getting stuck, etc. The truck is somewhat like a fire truck just with more equipment. Polair in Bankstown takes one of the more dangerous jobs, as helicopters are used in every scenario. We were able to sit on these aircrafts, but sadly were not allowed to fly on them.

The Police work experience is one that I wouldn’t forget for the rest of my life. I have learnt many skills and expert advice on this job, but I have learnt that holding a gun in your hand and pulling the trigger can be a very tough thing to do. Being a detective wasn’t what I have ever expected, frustration and seeing dead bodies isn’t what any person would like to see every day.
From the Careers desk

HEALTH CAREERS DAY

Students from Rose Bay Secondary College made their way to Sydney Children’s Hospital on Thursday, 30 May for a one-of-a kind child health Careers Day. With Australia experiencing a critical shortage of nursing, medical and allied health professionals, Sydney Children’s Hospital hoped the Careers Day would educate and excite students into considering a future in paediatric health.

The Career’s Day certainly succeeded in its aim, with overwhelmingly positive feedback received from the students.

It is imperative that students be given the opportunity to explore their career options and meet and hear from experts at the frontline.

Information stands, educational sessions and tours were run by staff from 20 departments, which included nursing, surgical, medical, radiology, sleep medicine, ophthalmology, genetic counselling and play and recreational therapy.

Students were given the opportunity to see a live operation via video streaming, visit medical laboratories, take a tour of the sleep laboratory and see a real example of a sleep study.
The NSW Fire and Rescues’ Work Experience Program provided us with practical experience in the operations and responsibilities of the NSWF&R. The Program gave us the opportunity to see in practice the roles of operational firefighters.

Over the three days we reenacted various procedures such as fire drills which involved us to suit up in the fire fighting gear, slide down the fire pole, and engage in the various techniques to operate the fire hoses and hydrants which were located in various parts of public streets and pathways.

The highlight of the work experience was when we reenacted a search and rescue operation. We were blindfolded and instructed to find our way around the obstacle-training course. Overall, the work experience was definitely interesting, as it showed us what goes on inside the NSWFR. It has inspired a few of us to perhaps pursue a career in the NSWFR.
Students from Year 12 attended The Sydney Morning Herald HSC and Careers Expo at Fox Studios on May 31st. This is a leading show of its kind providing resources and information for the HSC, tertiary courses, career options, study strategies, the gap year and beyond. The event also hosted numerous seminars on related fields providing a deep and thorough understanding of the various intricacies of the sector.

The Sydney Morning Herald HSC and Careers Expo brought together many national and international universities, educational institutions and others associated with this field under the same roof providing an all inclusive event for Year 12 students.
YOUR CULINARY CAREER STARTS HERE
Chef Pre-Apprenticeship Program

Do you want to become a Qualified Chef?
Gain a Certificate I in Commercial Cookery for FREE
Meet real Employers with real opportunities

WPC Group has partnered with William Angliss Institute to facilitate a 4 week FREE Pre-Apprenticeship program in Commercial Cookery. This program is funded by the NSW Government by the NSW Department of Education and Communities.

Gain basic skills and knowledge required to kick start your career and commence your Chef Apprenticeship.

What you get
• Gain a Certificate I in Commercial Cookery for FREE in 3 weeks
• Uniform and Knife Kits will be provided
• Opportunity to gain one week’s work experience within 5 Star Hotels, restaurants and clubs

The Fashion Design Studio, located at Ultimo TAFE, is known for its innovation and creativity, and is internationally recognised and considered as the Premier Fashion Design Institute in Australia. Students study design, illustration, couture, pattern cutting and construction, fabric design and printing, styling, retail, merchandising and media; giving them the necessary skills to gain employment in the fashion industry. The Fashion Design Studio has partnerships with Design Institutes in India, UK, The Netherlands, Hong Kong, Sweden and the USA. Students can further their studies and gain an International Degree.

Past alumni: Akira Isogawa, Alex Perry, Nicky Zimmerman, Lisa Ho, Michelle Jank, Genevieve Smart from Ginger and Smart, Luke Sales and Anna Plunkett from Romances Was Born, Dion Lee, Dylan Cooper and 4 time Academy Award Nominee Janet Patterson.

From the Library’s desk

NSW PREMIER’S READING CHALLENGE

9 weeks until the end of the 2013 Challenge!

Congratulations to Alex Fitzsimmons, William Hsu, Jet Logan, William Nguyen, Sharon Ou Yang and Sadie Walsh-Gay for already completing the challenge. We have another 10 students who are very close to completing the Challenge and 126 students registered and reading regularly in the library with their English teachers. Students should keep updating their student reading records over the holidays.

For NSW Premier’s Reading Challenge website go to

https://products.schools.nsw.edu.au/prc/home.html or access via the Student Portal

If your child is in Yr 8 or 9 and would like to participate in the Challenge this year it’s not too late to see the Librarian for assistance with registration. Many of our Yr 8 and 9 students borrow regularly at lunchtime and are reading well beyond 20 books. It would be wonderful for them to join us in the end of year celebrations. With parental approval those students could login to the NSW Premier’s Reading Challenge website with their portal username and password to register and begin entering books they have read since last September up until August 23rd in the Student Reading Record field.

Please note that once registered you are agreeing to The Sun Herald printing your child’s name (no photos) in the online edition of the newspaper if they meet the Challenge. If you would like your child to participate without formal online registration please download a hardcopy of the personal reading log from the PRC site (but DO NOT complete login process) and return to the library by the deadline date. They will receive a Principal’s Certificate instead of the Premier’s Certificate.

Student Portal

All school students now access their student portal, from home and at school, from a new URL:

http://student.det.nsw.edu.au

If students login to the student portal using the old URL i.e. http://portal.det.nsw.edu.au, an alert will direct them to http://student.det.nsw.edu.au

Click on this link for an overview of the key features of the Student Portal.

Many students access the portal daily at school but are not aware of the features available to them or that they can access My Library, (just under the Google and TALE search field in the Search Box) the library’s catalogue remotely. The catalogue provides access to the library’s collection which now includes downloadable e-books and websites. Click on “Visit your school library online”. Hyperlink access to the NSW Premier’s Reading Challenge can be found under “Other Sites”, Click on “more” to expand results. And most importantly students should be using their DET email account which is accessible from the portal. Students are not permitted to access Hotmail and Yahoo accounts in the library so school work should be sent via DET email.

The librarian will continue working with Yr 7 classes introducing them to features of the Portal and the catalogue next term.
Overview

Tale4students has a large range of educational resources of interest.

Use keywords or search terms to search Google or Tale4students here.

Search for resources in your school library.

Click ‘Add an event’ to enter reminders, exams, assessment tasks or special days.

Here are some sites that may interest you. To re-order, roll over links and click the arrows. Click More... to see all links.

Click ‘Personalise’ to choose a colour for your page or create a random multicolour theme.

Add a link (step 1) Click to create a link list portlet.

You can change your password or setup a secret question and answer, enabling you to reset your password if you can’t login.

Click here to access your DET email.

Use Week A & Week B to enter a fortnightly timetable.

Enter your timetable information e.g. time, subject, room.

School Photos

School photos were issued on Monday 24th June directly to students who had pre-ordered and paid for packages. Students absent on this day must collect their packages from library staff by Friday 19th July (end of week 1) Term 3.

Group photos such as sporting, music, SRC, film club etc. which were ordered recently will be delivered in Term 3.

If you have any issues with your photos please contact “The School Photographer” on 02 9674 9824 or email: digital@theschoolphotographer.com.au

Resourcing the Curriculum – what’s new?

The library has been busy purchasing curriculum related resources in preparation for the staged implementation of the NSW syllabuses for the Australian Curriculum. Resources are being acquired to address subject-based content, contemporary themes and cross-curriculum priorities such as Asia and Australia’s engagement with Asia, Aboriginal and Torres Strait Islander histories and cultures and Sustainability.

Have a happy and safe holiday from all the library staff!
Winter school holiday activities

**Painting, Scrapbooking & Collage! (6-12 yrs) 1 & 3 July**
Learn about scrapbooking and collage and painting. Bring any photos or pictures to use in your work and wear old clothes.

10am **Monday 1 July** @ Paddington Library  
http://winterpaddock.eventbrite.com.au  
10am **Wednesday 3 July** @ Watsons Bay Library  
http://winterwb-eorg.eventbrite.com.au

**Manga (7-15 yrs) 4 July**
Learn how to do Manga and Anime with artist Miyukiko. She will demonstrate different styles and you will learn how to design your own Manga character, as well as colouring a stylish picture.

10am **Monday 1 July** @ Thornton Room, Woollahra Council Chambers.  
http://mangadb.eventbrite.com.au

**Sherbet, Slime and Bubbles (5-12 yrs) 5 July**
Make gigantic bubbles, gooey slime, fizzy sherbet and other creative chemical concoctions. Enjoy a morning of messy and fun experiments. Bring a hat and sunscreen and wear old clothing.

10am **Monday 1 July** @ Double Bay Library  
http://bubblesdb.eventbrite.com.au

**Bush Tucker Walk (6-12 yrs) 11 July**
Take a walk around Cooper Park with John Lennis for NAIDOC week to learn about our local history and bush tucker. Bring a hat, sunscreen, a water bottle and paper for taking notes.

10.30 for 11am **Monday 1 July**. Cooper Park, near the cafe.  
http://bushtuckerkids.eventbrite.com.au

All events are free, however bookings are essential. Book now to secure a place.

For more information on any of the above activities contact the Woollahra Library & Information Service on 9391 7100 or visit:  
www.woollahra.nsw.gov.au
Kids Club

Every month for kids aged 6-10

Featuring exciting new topics each month! Come along and enjoy free games, cool crafts, storytelling, pizza and drinks.

Get your Paint on! 26 & 27 June
Mix some colours and paint a masterpiece or a mess! Please wear appropriate clothing to paint in as it may get messy.

Learn about Scrapbooking and Collage 24 & 25 July
Design, make and take home a beautiful artwork. Please bring along any photos or pictures you’d like to use in your work.

Learn to Crochet 28 & 29 August
Create fabric with a crochet hook and various materials and start your very own blanket to take home. Hooks and wool included.

Watsons Bay Library
Last Wednesday of the Month: 4:00pm
8 Marine Parade, Watsons Bay

Double Bay Library
Last Thursday of the Month: 4:00 pm
548 New South Head Road, Double Bay

Bookings essential online
