Welcome to our first College Bulletin for 2014. The year has certainly started well, with a large increase in student enrolments a very pleasing sign. Currently we have 1021 students enrolled which is an increase of approximately 60 students from 2013. This has resulted in waiting lists being activated for all years, but has also meant that we have had to form some new classes in some years, which will require some changes to student’s timetables. Students will be notified of the changes this week and they will come into operation on Mon 10 March. Please be aware that this will not result in a change of class teachers.

Our new staff have settled in very well to our school and have commented on the politeness and enthusiasm of our students. Those staff are Kelly Vine HT CAPA replacing Donna Masterson, Brenton Monger HT TAS replacing Garry Braid, Iain Tallis Music replacing Ben Bryant and Francisco Jimenez General Assistant replacing Keith Rowe. We welcome them to our school.

Last year in the 2013 HSC, approx. 15 students from Rose Bay Secondary College were awarded ATAR scores above 90 and Alex Danon, the highest with an ATAR of 99.1. Alex achieved scores over 90% in at least 5 of his subjects placing him on the Board of Studies Honour Roll. In addition one of our students Viola Iida was placed first in the state in Dance and Ronald Budovski was third in the state in Hebrew. Two of our students, who as part of the HSC studies, completed major projects produced such high quality work that they were selected for state-wide exhibition or performance in the CAPA areas of Music, and Dance. These students are Viola Iida for the Dance Callback program and Isabella Antonievich for Music Encore. These are fantastic results and ones that we all should be proud of. We are currently hearing about the university options that our students are taking up.
Meet the Teachers

We will be holding our Year 7 “Meet the Teachers” class meetings on Tues 11 March 2014. The purpose of these class meetings is to provide an opportunity for Year 7 and IEF teachers to meet the parents of your class to establish communication procedures, briefly explain to the parents your plans and expectations for your curriculum programs, assessment, behaviour standards, homework etc. reflect on the transition of your class from primary to high school and communicate any issues/concerns/ideas/advice to support parents. display some of the work that your class has done in the first few weeks of high school. It also allows parents to meet each other. It is not a parent/teacher interview as these will be held following the semester 1 reports. Reminder – Year 7 classes will be reviewed towards the end of term 1. Teachers will provide information about students in the context of learning achievement, behaviour and relationships. The transition team will review this data and some changes to year 7 classes may occur for term 2.

Open Night

Following the Meet the Teachers sessions will be our annual Open Night which will give parents the opportunity to wander around the school, see our facilities and ask questions. One of our Music Ensemble Program groups will be performing as well. Already this year our SRC organised activities to celebrate Valentine’s Day. There was a great buzz around the school and the Yr 12 students should be congratulated on the manner in which they generated a great school spirit on the day.

Extra Curricular

Many of our extra curricular programs are getting underway and as always I urge all students to take advantage of the outstanding programs on offer at Rose Bay. The Duke of Edinburgh program has commenced with planning well underway for the trip to NZ for experienced students and training for new participants. The MEP program held their parent info night on Mon 10 Feb. The group is planning a busy program for the year and are currently looking at the camp to be held at Stanwell Tops to help bring all the new members into the fold. Maria Alonzo has returned this year and is planning the Musical for 2014 – The Wedding Singer. This will be held early in Term 4. The Debating Club has begun training on Friday afternoons. Thanks to Debbie Duke and her team who are coordinating the program. Hopefully we can get the teams in blazers and ties this year. Sporting Teams are currently being formed – students need to listen carefully to the notices and to info from their PE/Sports teachers. Cheerleading is currently having tryouts.

Thank you to all students who have made the start to 2014 a truly enjoyable experience for all. The manner in which our new students have been welcomed is a credit to you all. Well done.
Jessica Skinner Year 11 Rose Bay Secondary College, is one of only 20 students across Australia to be invited to attend the UBS Young Women’s Leadership Academy which will be held at Sydney University from Monday, 7th April until Friday, 11th April this year.

The objective of the Academy is to:

* introduce Year 11 students to a diverse group of contemporary women leaders
* demonstrate the possibilities and satisfaction of a career in business
* encourage leadership aspirations in young women
* provide leadership skills development

The program is residential at The Women’s College, Sydney University. The course has been designed to be a creative mix of practical and theory with industry exposure, field visits and syndicate work. During the four days Jessica will gain the opportunity to experience life at The Women’s College. For the students there will be a chance to develop their leadership skills and develop new relationships with their peer group from other schools.

Jessica said she was really excited to be accepted as she has a strong interest in leadership and business.

“It will be a great experience and I will get to meet other girls from across the country, as well as a lot of inspirational business women,” she said.

A TOUCH OF CLASS

On Thursday February 27, thirteen girls from Rose Bay Secondary College were given the opportunity to play in the Open Girl’s Touch Football School Sports Knockout Competition against Newtown Performing Arts High.

Our team of girls happily braved the brutal wet weather as they hiked up to Rodney Reserve for a match against Newtown. Newtown’s attempt to back out due to the poor weather, was a sign of weakness, however our girls showed a keen spirit to get the game on!

With squally coastal winds, poor visibility and the field lines which were out of alignment, our girls held the score line tight through to the end. We put up a good fight, but the score unfortunately did not reflect our effort and spirit of the game.

Well done girls for your fine efforts and sportswomanship : - )
Students from Rose Bay Secondary College took part in the annual House Swimming Carnival at the outdoor pool at Des Renford Aquatic Centre in Maroubra.

Bondi Lions Club Scholarships 2014

These generous scholarships are specifically targeted to help students from financially disadvantaged backgrounds continue on from Year 10 and complete the HSC.

A number of our students have benefited from these scholarships in the past.

This year the Lions Club has gladly donated two Scholarships worth $1500 each to the students at Rose Bay Secondary College.

We at Rose Bay Secondary would like to say thank you to the Bondi Lions for their continued support.

want to make a difference?

Proudly supported by Lions Australia would like to thank InvoCare for its continued support and sponsorship of our membership initiatives.

Easts Hospitality Traineeship Opportunities

Easts Group | Sydney Roosters is an organisation that values its people, their development and future. We are in the business of creating memorable entertainment experiences for our fans and patrons, therefore focussing on ensuring our staff are passionate about what they do. We also have a strong sense of community through our support of numerous charitable initiatives.

We now have a number of exciting full time opportunities for enthusiastic individuals to kick start their career in hospitality as Club Trainees at one of our venues: Eastern Suburbs Leagues Club in Sydney’s east, Berkeley Sports Club in Sydney’s south and Kingswood Sports Club in Sydney’s west, commencing in 2014.

About the Easts Traineeship
Our Club Traineeship program involves training across numerous departments of the Club including Functions, Events, Gaming, Food and Beverage, Customer Service and even the opportunity to work within Club Administration, Marketing and with the Sydney Roosters Membership Team.

In addition to this, Easts Trainees attend TAFE one day per week to strengthen their skill set and consolidate their knowledge. Trainees have the opportunity to complete the program over a 1-2 year period.

Ideal applicants will be:
• Enthusiastic team players
• Display desire & passion to learn and grow a career in Hospitality
• Encompass a high level of commitment & responsibility
• Must be flexible with their availability

What’s in it for you?
• Obtain a nationally recognised qualification - Certificate III in Hospitality (Operations)
• The opportunity to be appointed to an ongoing position within the Easts Group.

How do I apply?
Submit a current CV together with a cover letter stating:
• What attracts you to this position
• What your short and long term goals are
• What values you can bring to the Easts team

To: recruitment@eastsgroup.com.au or visit our website: www.eastsgroup.com.au

This opportunity is aimed at a graduate level as Trainee wages apply. No prior experience is required.

We look forward to hearing from you! Apply now!
Are you looking for an exciting job in the Army?

Defence Force Recruiting is currently looking for females to join the Army as a Surveillance Aircraft Operator.

In this role you’ll operate an Unmanned Aerial Vehicle to be the eyes and ears of the battlefield. It's an exciting and rewarding job, as the information you gather will be used to keep the troops on the ground safe and out of enemy territory.

You’ll also be trained to monitor and record weather conditions, liaising with the Bureau of Meteorology and using a variety of sophisticated weather equipment to gather and distribute information to assist commanders in accurately directing artillery units through any dangers ahead.

If this role sounds like something you would be interested please contact Jordan King on CPTNSW@dfr.com.au or 02 8831 2243 to make an application today.

King Regards,

Miss Jordan King
