Swimming Carnival 2014
WEDNESDAY FEBRUARY 26

The Rose Bay Secondary College swimming carnival will be held on Wednesday 26th February. The swimming carnival is an exciting school activity that caters for swimmers of all abilities.

It is compulsory that all students attend the swimming carnival as outlined by the New South Wales Department of Education attendance guidelines.

With the continuation of the School’s House system, this swimming carnival is going to be another memorable event. The necessary information relating to the swimming carnival is outlined below.

2013 Champions – Dennison.

Water Sport Accreditation
During the 2014 carnival, students who are currently participating in water sports MUST update their safety in water sport accreditation. These sports are: KAYAKING – LEARN TO SURF – BEACH FITNESS and SURFING.
Students who do not complete their accreditation on the day will not be permitted to participate in water based sports. There may be an opportunity for all students to complete their accreditation on the day (if time) which would be valuable for students who wish to do any water based activities in 2014.
